English Writing Course

- Introduction:** Academic Writing course has been developed for intermediate, upper-intermediate, and advanced level students who are preparing to study, or are already studying, in an academic environment and need to improve their writing skills.
This course provides students with:
- a variety of individual planning and writing tasks.
 - plenty of practice to help with each stage of the writing process.
 - models of writing that are based on real assignments.
- Who can attend:** English students with B1 Certification
- Duration:** 120 hours
- Competencies after the course:**
- By the end of the course, you will have been able to:
- take yourself from sentence to paragraph structuring to essay writing through a process approach.
 - learn how to order and link paragraphs into cohesive and coherent essays and to create the various paragraph types that are used in written assignments.
- Materials:** International business teaching and learning resources.
Selected materials from: Cambridge English Assessment
- Format:** Online
