# Teaching English to Speakers of Other Languages (TESOL)

**Introduction:** This 120-hour TEFL/TESOL course amplifies your teaching knowledge, discovers your hidden teaching skills practically and makes you part of an internationally recognized teachers' family. Throughout the training, there are daily study sessions in which TEFL trainees learn EFL-teaching methodology, classroom management, how to teach accent reduction and how to design exciting grammar classes. Most of the time is spent preparing, teaching, and evaluating TEFL classes. This course gives you the best return on your investment and is perfect for those who have never taught English before. It is also perfect for the teachers who have been teaching English for years and would like to update their teaching skills.

**Who can attend:** Novice and Experienced Teachers

**Duration:** 120 hours

**Competencies after the course:** By the end of the course, you will have been able to:

- explore theories of how students learn a new language.
- experience 6 hours of observed teaching practice.
- become familiar with different teaching methodologies.
- know how to use teaching resources effectively.
- understand key aspects of lesson planning.
- learn different approaches and techniques of teaching language and skill lessons.
