500-Hour TEFL Trainer Certification

500-Hour TEFL Trainer Certification

Introduction: For those who want to work as a TEFL/TESOL trainer, our certification program at the level of an MA TESOL would be the right option. With over 500 hours of academic training, the graduate will be able to successfully function as a teacher trainer. The prerequisite is experience teaching EFL/ESL classes and standard TEFL/TESOL certification. After a demanding online training, the training will be completed with a teaching practice at one of our TEFL training centers.

The ITTI TEFL Course Instructor Diploma is awarded for the successful completion of a study program, consisting of five core courses (required of all students) and five courses in the student's chosen concentration, either Teaching or Curriculum Development.

Who can attend: TESOL and Specialization Certification Holder

Duration: 500 hours

Competencies after the course:

By the end of the course, you will have discovered:

- language analysis for teachers: phonology, lexis, and syntax.
- language analysis for teachers: grammar and discourse.
- principles of language learning and teaching.
- culture, intercultural communication, and sociolinguistics of English as a global language.
- methods and materials: systems
- methods and materials: skills
- learner assessment.
- writing ESOL materials, curriculum development, and course design.
- English for specific/ academic purposes.

Materials: TEFL Trainer Booklet
Selected materials from TESOL Association & EFL

Format: Online & Onsite
