Prime English

for Basic Users

- Introduction:** Prime English is designed and developed for beginners and novice language students in the contexts of Afghanistan and those who need a thorough review of basic grammar, functions, and vocabulary. It reflects the fact that English is the major language of international communication and is not limited to any particular country, region, or culture. The philosophy of this book is that English is best learned when used for meaningful communication.
- Who can attend:** Beginners and basic users
- Duration:** 50 hours
- Competencies after the course:** By the end of the course, you will have been able to:
- have a solid foundation in the language.
 - experience smooth transition to level A1 of any international system.
- Materials:** Prime English coursebook
Selected materials from international resources
- Format:** Online & Onsite
